THIS IS UNEVALUATED INFORMATION FOR THE RESEARCH
USE OF TRAINED INTELLIGENCE ANALYSTS ILLEGIB

SOURCE

1. Documentary

Attached is a photo copy of production figures in the various branches of Wiener Bruckebau & Eisenkonstruktionen A.G., Vienna I, Hardtmuthgasse 131 (formerly, Waagner & Biro), showing weight and value in schillings of construction and production during the years 1945, 1946, and 1947. These figures show a strongly increased production for 1947.

2.

The Russians have not acquired any of the above output and have not interfered with production or sales. On the other hand, they have maintained supervision in all financial matters and have required the following payments:

For administrative costs for the period from
1 January 1947 to 30 June 1947

180,000.00 schillings

As contribution to the Buying and Selling
Office of the Machine Construction Division
of USIA for the period from 1 July 1947 to
31 October 1947

235,708.57

These payments represent 1.9% of the total turnover in 1947.
